

“Together We Can Do Amazing Things”

(ELGT Tri-State Community Youth Choir Theme Song)

Words and Music by Sharyn Vinci ©2017

We are kids, of Many Colors
We are kids from near and far
We are kids like many others
Yeah we're kids but we know who we are

We're the children of sons and daughters
We're the children underneath our nation's wing
We're the pride and hope of our forefathers
And together we can do amazing things

Together we can do amazing things
We hold the future in our hands
Though we're not sure yet what that means
We'll value one another and we'll strive to live our dream
And together we can do amazing things

We're the generation of this nation
We are young but, still we can make change
Cuz everything is possible if you just believe
That together we can do amazing things.

Together we can do amazing things, we hold the future in our hands
Though we're not sure yet what that means
We'll value one another and we'll strive to live our dreams
And together we can do amazing things

We are kids (**we are kids**) of Many Colors (**many colors**)
We are kids (**we are kids**) from near and far (**from near and far**)
We are kids (**we are kids**) like many others
Yeah we're kids but we know who we are

Together we can do amazing things
We hold the future in our hands
Though we're not sure yet what that means
We'll value one another and we'll strive to live our dream
And together we can do amazing things
And together we can do amazing things
Yes together.....we can do amazing..... things.....
